Seventh International Congress on Construction History

Name: Becchi

First name: Antonio

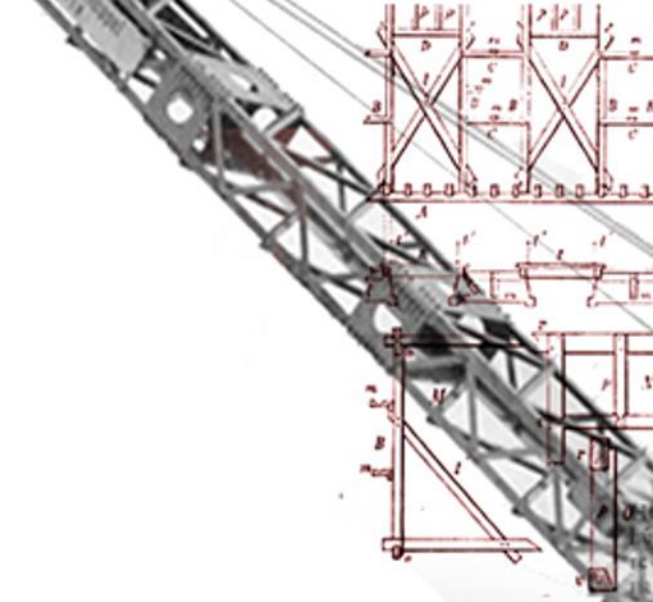

Function: Visiting Scholar

Affiliation: Max Planck Institute for the History of Science, Berlin

Country: Germany

Email: becchi@mpiwg-berlin.mpg.de

CV: Antonio Becchi (PhD 1994) works at the Max Planck Institute for the History of Science (Berlin). His field of research is the history of construction, mechanics, art, and architecture. He is also particularly interested in the development of the Construction History research community and co-edited two international reports on this topic: *Construction History. Research Perspectives in Europe* (2004) and *Construction History. Survey of a European Building Site* (2018). He studied in Genoa, Florence, and Bologna, and spent regularly research periods in Berlin, Göttingen, Paris, and London. He taught at
