CV: During more than 40 years research on construction history I have published more than 100 papers and half a dozen books on the subject. My main interest is the history of all branches of building engineering. I was editor of the International Journal Construction History of about 6 years and Chair of the editorial panel for Engineering History and Heritage for 6 years. I worked for over 15 years at the University of Reading followed by 15 years at Buro Happold Consulting Engineers in London. Since retiring in 2015 I have been a visiting Professor at Universities in Rome, Innsbruck, San Sebastian, Zurich, Brussels and Munich.
