CV: Ivo Veiga (Phd, University College London, 2012) is a social science and history researcher with interests in democratization, history of construction, digital humanities and societal and political transformations. Veiga is the author, co-author and co-editor of several books and articles related to democratization, elections, political institutions and their actors, namely *Mulheres e Eleições* (Almedina, 2019) and *Os Constituintes* (Edições Assembleia da República, 2020). He has delivered papers at national and international meetings organized by leading institutions in their fields. He employs several methods to examine different research problems and puzzles: social
